

# You Should Have Your Fucking Brains Lacerated.

What Pisses Me Off The Most is that I am on a KST File Terrorist Watchlist as a Targeted Individual who gets Morse Code V2K Broadcasts and Burned With Directed Energy Weapons and Forceful Injections of Yeast/Alcohol/Candida that I have to remove with Citricare/Colostrum/Lime Juice/Baking Soda ... Basically I am fucked and gang stalked by perps by your tax payer dollars for a random damn fucking reason and this fusion center guy keeps blue carding me with random warrants ... They want to provoke a reaction out of me all the time I tried to avoid saying "You Should Have Your Fucking Skull Lacerated" and failed , but I have to try and play dumb as if nothing is happening and be fucking retard docile degenerate for the Zionist System ... TV People are fucking Zionists , Doesn't Matter What Political Party ... Zionism is fucking cancer , Take Israel Back To The BLO , Kill all Zionists and Jews they are cancer ... This is the kind of shit we are aware of , they just want a constant reaction ... People get frustrated and decide to look at Peer2Peer PTHC Lolita Rape Child Porn load it on to a 7zip or Veracrypt Drive then Base32 It in Linux ... Also blacks are just as likely as whites to be killed in Mental Hospitals and During Mental Evaluations, it is totally normal to see people get their skull lacerated with the butt of a fucking gun ... This is all fucking normal ... 12 Martian Races Got Into The Government and so did the Zionist Jews ... All Jews are Pedophiles with 6 Passports , and go to disgusting Jew-Only Country Clubs ... Who would want to eat with a bunch of stinkey coon nigger spades or kike dago wops anyways ... I am so glad to deny the holocaust and George Washing and FDR for who they really are (Just Fucking Traitors) ... All George did was eliminated the organic constitution for the Act of 1871 making USA a Corporation and re-instate the Virginia Colony Corporation ... I am so glad for David Duke and David Irving as a Holocaust Denier and I know The Red Cross Documents are a Crock of Shit Disproving The Holocaust , Winston Churchill and Weasel were fucking liars, the holocaust is a Hoax, you just can't react to these stupid Yankie/Yuppie/Cosmopolitan/Dildofust-Fag Perps otherwise you'll snap and get arrested for saying "You should have your fucking skull lacerated." the perps are making a false lie about the Targeted Individual and they just want a fucking reaction ... The First Ammendment is imaginary , you are dead by your birth certificate and lost at sea to uniform commercial code which has nine titles by the strawman in ALL CAPS and by your birth certificate ... The Act of 1871 Makes The USA a Corporation ... And when you finally fucking die , heaven and hell are not real , God is not real either , you are just a fucking Telepathic Human-Like Ghost that floats around and shit , but still has to sleep , all religion ever gave us was tradition ... If I had anyone to kill it would be these fucking zionist jews and the supporters of Israel and Zionism aka the Democrats and Republicans aka the Normies or Yankie/Yuppie-Fags ... Killing all these fucking spade nigger coon zionist kike jews is the only fucking way ... I read the frier of Mien Kampf and signify 14 words / Combat-18 and 1488 of maintaining the white race by any means possible, such as ethnic cleansing and forced eugenics ... You just have to kill all the Yankies/Yuppies/Cosmopolitans/Zionists/Jews/Niggers/Coons/Kikes/and of course Sheeple or Yuppie/Yankie Goat People who think like fucking normies and act like fucking normies , fucking normal-fags aka the dildo-fust that is nothing more than a negotial instrument to have their fucking skull kicked in an lacerated over and over again indefinately ... I watch a Bris Milah Session or Barmitsfa of a Rabbi/Moyle sucking the blood out of a cock and know what these kikes are capable of , I have seen PTHC Child Porn that was the same way on Peer2Peer ... Just fucking pathetic that Hollywood would only ever show fake violence and not the real stuff that is on a Peer2Peer Network as an encrypted tarball or 7zip file and base32ed as well ... Kill and Snuffing people out is normal process, the Talmud even says even the best of the non-jew or the Goyim should all be killed. An inversion of the talmud would be even the best of the Kike or Jes should all be killed and to boil a kike / jew in hot excrement is another inversion of Talmudic Doctrine / The Mossad Did September 11<sup>th</sup> 2001 and Sunk USS Liberty (The Saddam PSYOP) ...
